Residential Property Report Application (Fee: \$240)

Upon receipt of an application which complies with Section 8.80.040, the Municipal Services Department shall conduct a physical inspection of the subject property for the purpose of observing the property's compliance with the municipal code and determining the availability of the required off-street parking. The inspection shall be limited to the interior areas of garages. At the applicant's request, the Municipal Services Department may also provide a list of possible violations that are observable by staff. (Ord. 1164-19 §1).

Inspection Type (select one only):

- Off-street parking only (default selection)
- Off-street parking and other potential violations visible to staff
